FOIA REQUEST

Fee benefit requested

No fee waiver requested

Dear FOIA Officer:

Pursuant to the federal Freedom of Information Act, 5 U.S.C. § 552, I request access to all travel approval documentation and related information for Scott Pruitt, including but not limited to authorization rationales and receipts.

In addition, I am requesting a list (to the extent one can be easily generated through a simple search) of the names of all employees submitting travel requests to accompany the administrator.

I believe this information may be held by your Office of the Chief Financial Officer, but please consider this request to apply to whichever office may hold the relevant file.

As a representative of the news media I am only required to pay for the direct cost of duplication after the first 100 pages. Through this request, I am gathering information about the use of taxpayer dollars, for dissemination to the general public, by cabinet-level officials that would also by definition meet an urgent need to inform the public about an actual or alleged federal government activity.

Release of the information is in the public interest because it will contribute significantly to public understanding of government operations and activities. In the interests of speed, however, and recognizing the importance of the records in question, I am not seeking a fee waiver and I am willing to pay all applicable fees under the fee benefit. Please contact me if you anticipate the fees exceeding \$100.

If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act. I will also expect you to release all segregable portions of otherwise exempt material. I, of course, reserve the right to appeal your decision to withhold any information.

If any part of this request is not clear, or you foresee problems in identifying the requested records, please contact me by telephone on 202 862 9296 or email louise.radnofsky@wsj.com.

I look forward to your reply within 20 business days, as the statute requires. Thank you for your assistance.

Yours sincerely,
